

Friends and Clients,

We are grateful for the trust you place in us to serve your legal needs. Even as COVID-19 presents unknown and ever-changing conditions, we need you to know that we remain committed to providing you high-caliber assistance without interruption.

Over the next several weeks, some personnel from our 1979 Eastwood Road and 12 North Fifth Avenue offices will work remotely. During this period, we will take all necessary measures to assure that we continue to be responsive to your needs in a timely manner. Attorneys and staff working remotely will have uninterrupted secure access to our office telephone system, computer network, and e-mail. Recognizing the importance of "social distancing" during this period of uncertainty, we are available for video conferencing. And if the need arises for us to meet our local clients where they are, we are happy to accommodate you. While we will continue to accept drop-offs at our front desk at our Eastwood location, we encourage you when possible to use e-mail and our fax (910-763-6561) to provide documents to us.

We look forward to a day in the not-so-distant future when we can celebrate our relationship with you at a client appreciation event at Eastwood.

Until then, rest assured that we are here to serve you, as usual.
