

Client Questionnaire – please send answers to the following questions to the attorney or staff member prior to your meeting.

- Have you traveled outside Wilmington in the last 14 days?
- Have you had a cold, flu like symptoms or a fever of over 100.4 in the last 14 days?
- Have you recently been in close contact or cared for someone who has shown symptoms of or been diagnosed with COVID-19?

In light of the recent COVID-19 concerns and for the health and safety of our clients and employees, MTG will now require all meeting participants to wear a face mask/covering during meetings. For signings, we encourage clients to bring their own pens to reduce exposure.

Thank you for your compliance with these safety protocols.
